## MESSAGE FROM THE DIRECTOR

**Dr. Hema Yadav**  
Director, VAMNICOM, Pune.

Vaikunth Mehta National Institute of Cooperative Management (VAMNICOM), Pune, is a premier grant-in-aid institute, under the Ministry of Cooperation, Government of India. We are associated with various prestigious National and International Organizations with a vision of carving the social and business landscape of the country.

VAMNICOM, which floated initially a Post Graduate Diploma in Management (PGDM) course way back in 1993, gradually transformed its focus and offered the course with specialization in Agri Business Management (ABM), since 2004. The course has been designed to impart an in-depth knowledge of Industry's changing dynamics. I am happy to share that PGDM-ABM has entered 30 glorious years of corporate and cooperative excellence. The institute is engaged in the development of business leaders who acquire in-depth and updated management knowledge with managerial skills, values and ethics through various academic and co-curricular activities.

The programme is committed to impart quality education to achieve the benchmark of National Board of Accreditation.

VAMNICOM has been ranked 24th in the western zone of India by The Week and 26th Best B-Schools in India by India Today. With the support of Industry, Universities and Ministry of Cooperation, VAMNICOM is set to go for higher ranking in management education. Students during the year 2021 have achieved a great leap in the summer internships.

The batch of 2021-23 has achieved 100% placement and students are placed in Retail, FMCG, Finance, Agri-Input, Cooperative sector, Commodities and Research & Consultancy/AgriTech sector.

We invite you to join the PGDM ABM Programme.

## MESSAGE FROM JT. PROGRAMME DIRECTOR

**Dr. D. Ravi**  
Joint Programme Director, VAMNICOM, Pune

PGDM ABM programme of VAMNICOM attracts the students of various academic background from different parts of the country. The specialities of the students taking admission are willing to take up a career in Agri Business sector and work hard in the

industry-based situated area including remote villages. As a part of course, curriculum students get an opportunity to understand industry requirement better through expert sessions arranged regularly from industry. Students also get the opportunity to prepare a project report on an Agribusiness area of their choice in the second year of the programme. This helps students to get confident in starting a new venture and lead a business team confidently. Cooperative sectors have taken keen interest in offering placements the batch of 2021-23 students. Definitely students of VAMNICOM will be an asset to their organization.

## PGDM - AGRI BUSINESS MANAGEMENT

Centre for Management Education of the Institute offers a two-year Post Graduate Diploma in Management (PGDM) programme from the year 1993. The center seeks to mould its young students who come from different academic backgrounds and with diverse skills into competent professionals of tomorrow. The students learn to combine the use of technical skills with the understanding of the socio-cultural system to emerge as leaders in their fields. They are ready to make significant contribution through their management skills in all the sectors of the society. Considering the ever growing requirement for professional Managers in the field of Agri Business, the PGDM programme has been structured with specialization in Agri Business Management (ABM). Students evolve through a structured teaching- learning process that enables them to:

- ❖ Develop good conceptual understanding of various fields of agribusiness, their intersectional ties and inter linkages to economic development.
- ❖ Acquire the relevant skills in using modern management tools and techniques.
- ❖ Develop application skills of appropriate management techniques in the context of agribusiness

**The PGDM has been recognised by the All India Council for Technical Education, (AICTE) Government of India and by the Association of Indian Universities as equivalent to MBA degree. The Programme has been accredited by National Board of Accreditations, New Delhi.**

The programme comprises of two segments, viz., classroom and Summer Internship. Of these, the first involves an exposure to concepts, skills and knowledge in the classroom, while the later involves first-hand experience of understanding of organizations. Evaluation of students' performance in the Programme is a continuous process, offering opportunity for frequent and regular corrections. All the segments of Programme - classroom study, fieldwork, summer Internship- are evaluated and the results are reported on students' grade card. Students are expected to meet the standards of performance prescribed by the PGDM Committee for each segment.

## CLASSROOM SEGMENT
